MEIST

Gloria Veinikeldri võlvid on rajatud varem, kui Kolumbus avastas Ameerika, ning asub vanalinna kaitsemüüri all. Hoone on saanud nime Taani kuninganna Margrethe järgi ja on rajatud 13. sajandi esimesel poolel Taani kuninga korraldusel.

Tallinna vanalinna südames, keskaegse linnamüüri varjus peituv Gloria Veinikelder pakub oma külalistele toiduelamuste kõrval Põhjamaade konkurentsituult suurimat veinivalikut juba aastast 1995. Ajalooline atmosfäär, esinduslik veinivalik ja armastus hea toidu vastu teevad Gloria Veinikeldrist koht, kus aeg peatub nautlemiseks. Hubane ja elegantne interjööor teevad veinikeldrist kahtlemata vanalinna ühe tõelise pärl. Gloria Veinikeldri kaheksas originaalselt kujundatud ruumis saab muuhulgas kaminasoojuses veine degusteerida, päikese eest varju pügeda ning nautida suvist randevuud romantilisel terrassil. Lisaks pakub Gloria Veinikelder võimalust kasutada 8 ja 15 külalist mahutavat privaatruumi, mis sobib nii ärikohtumisteks kui ka gruppidele einestamiseks. Gloria Veinikelder on ideaalne valik neile, kes hindavad hea veini ja suurepärase söögi kooslust ainulaadses atmosfääris.

Veinikeldri riiulitel väärrikalt vananevates tuhandetes pudelites on esindatud kõik, mis on valmistatud viinamarjadest. Soovi korral saab sommeljee abiga veinikeldri riiulitelt endale meelepärase veini ka kaasa osta.

Lisaks laiale veinivalikule umbes 35st rügist, mis on riiulitel graatsiliselt vananemas, on sommeljee poolt lisatud ka rikkalik valik parimaid destillaate silmas pidades nii meie külaliste soove, kui ka Põhjamaade traditsioone. Veinikeldris on tänu lubjakivi seintele veinide hoidmiseks ja küpsemiseks täiuslikud naturaalsed tingimused, tänu millele on seal aasta läbi stabiilne temperatuur umbes 16°C. Veinikelderis on piisav niiskus ja hämar valgus, mis ei puutu otseselt veinipudelitega kokku ning täielik kaitse igasuguse päikesevalguse eest.

Veinikeldri esimeses ruumis - veinipoes - nõustab Teid sobiva veini leidmisel sommeljee. Veinikeldri nn tagataskus saab veinilt ka korgi pealt. Vein, asjatundlik teenindus, küünlavalgus, kaminasoojus, mitmekülgne à la carte menüü ja klassikalised veinisuupisted on võrratud hingesoovendajad külmadel talveõhtutel, suvel aga jahutavad vanad võlvid päevakuumusest.

Gloria Veinikelder on omanike Tairi ja tunnustatud sommeljee Marko Harki perefirma. Veinikeldri kokkade käe all kohtuvad taldrikul euroopaliku ja eestimaise toidu parimad kooslused, mille maitset ja väljanägemine on klass omaette. „Me ei piira end vaid kohaliku toorainega, kuid värskus ja kvaliteet on kindlasti esikohal. Samuti arvestame, et ka klassikalistel roogadel oleks ikka mingi eriline ja nauditav, nii-öelda meile omane signatuur, et klient sooviks alati tagasi tulla,“ kirjeldab veinikeldri perenaine Tairi restorani toidukultuuri olemust.

Meilt saate vastuse kõigile veiniga seotud küsimustele.

Saadaval parim veinivalik.

Korraldame veinikoolitusi, degusteerimisi ja vastuvõtte.

Veini, mida Teie kuskilt ei leia, leiame Teile meie!

ABOUT US

The vaults of Gloria Wine Cellar (opened in 1995) were built before Columbus discovered America, and, defying the times, are currently situated under the protective wall of the Old Town. The building was named after the Danish Queen Margrethe, and was built at the request of the King of Denmark in the first half of the 13th century. Gloria Wine Cellar - hidden in the heart of Tallinn's Old Town by the medieval city wall - offers its guests not only excellent gourmet experiences but also by far the widest selection of wines in the Nordic countries. It is the historical atmosphere, the dashing selection of wines, and the love for good food that make Gloria Wine Cellar a place where time stops for enjoyment.

The cosy and elegant interior undoubtedly make the wine cellar one of the true pearls of the Old Town. Gloria Wine Cellar has eight rooms with original interior designs, where you can taste wines by the fireplace, seek shade from the sun, or enjoy a summery rendezvous on the romantic terrace. Gloria Wine Cellar also offers the opportunity to rent private rooms that fit 8 or 15 people - perfect both for business meetings and group dinners. Gloria Wine Cellar is the perfect choice for those who appreciate the combination of good wine and excellent food in a unique atmosphere.

You can find everything made of grapes in the thousands of bottles maturing gracefully on the shelves of the wine cellar. You are also welcome to use the sommelier's assistance at our wine shop to buy your favourite wine to take home.

In addition to a wide wine selection from around 35 countries ageing gracefully on the shelves, considering our guests wishes and northern traditions, we have also incorporated a selection of best distillates into our wine cellar. There are perfect natural conditions for storing and maturing wine because of the limestone walls of the wine cellar, which creates an undisturbed temperature of 16°C whole year round, accompanied by perfect humidity, dimmed lighting which is kept away from direct contact with the wine bottles and total protection from any sunlight.

In the first room of the wine cellar - at the wine shop - the sommelier will help you find a suitable wine. Further on in the cellar, you can enjoy our wines. The combination of wine, expert service, candle light, fireplaces, a varied à la carte menu, and classical wine snacks is excellent for warming your soul on cold winter nights, whereas in summer the old vaults help you cool down from the heat of the sun. Gloria Wine Cellar is a family business owned by Tairi and awarded sommelier Marko Hark. Under the guidance of Gloria Wine Cellar chefs, who are bringing together the best combinations of European and Estonian food, flavours and presentations in a class of their own are created. "We don't limit ourselves only to local ingredients, but freshness and quality are definitely our first priorities. We also make sure to add a special and enjoyable touch even to classical dishes, so the client will always want to come back," says the wine cellar's hostess Tairi in describing the nature of restaurant food culture.

We will answer to all of your wine questions.

We offer the best selection of wines.

We organise wine trainings, tastings, and receptions.

We will find you the wines that you cannot find anywhere else!

VEINIKAART

Meie eesmärgiks on pakkuda erakordset toiduelamust unikaalses atmosfääris, kuid mitte ainult...
Veinikaart on suur aare ja hülgus restorani omanikule ja sommeljeele hr. Marko Hark'le kui ka meie meeskonnale. Selle asemel, et pakkuda valikut oma isiklikest eelistustest, on veinivalik lai ja mitmekülgne – sealhulgas lugematud näited silmapaistvatest veinidest üle maailma ning mõned head näidised ka Eesti kohalikust joogitööstusest.

Seega, kas see on haruldane Bordeaux ühest suurepärasest aastakäigust, klaas midagi tuttavat või hoopis natuke rohkem erakordset, olen kindel, et mina ja minu meeskond oskavad just Teile sobiva veini soovitada.

Einet ilma veinita kutsutake hommikusöögiks!

WINE LIST

Our aim is to offer exceptional food experience in unique atmosphere but not only... The wine list is our great treasure and glory to restaurateur & sommelier Mr. Marko Hark and our team. Rather than a self-indulgent selection of his own preferences, it is a wide and varied collection - including examples of outstanding wines from all over the world and some good samples from Estonian local beverage industry too.

So whether it be a rare Bordeaux from one of the great vintages, a glass of something familiar or something little more extraordinary, I am confident that myself and my team can recommend just the right wine for You.

A meal without wine is called breakfast!
